

## MSDN Academic Alliance Software Agreement

Please remember that by signing this document you agree to all the terms and conditions laid down below and all terms and conditions stated on the MSDN Web Site, which is available on the following URL. [www.msdnaa.net](http://www.msdnaa.net). By installing or otherwise using the product, you agree to be bound by the terms of the EULA and the License Amendments. If you do not agree to be bound, do not install or use the product.

1. The software may be copied onto a single PC, the PC may not be a server that other PC's have access to over a network.
2. Operating system software may only be used as an upgrade to an existing operating system, this software may not be installed on a new or second hand PC that has been bought without an operating system, this is as per EULA.
3. The software may not be duplicated in any manner, this includes copying the contents of the DVD on your hard drive.
4. The software may not be used in a production environment. The software is meant for teaching and training purposes only.
5. Some software may require a "Product Key", this key is for your use only and may not be disclosed to anyone else.
6. When you are no longer a registered student in a department that is a member of the MSDN Academic Alliance Program you may continue to use the software on your PC as long as you follow program guidelines. You will not be able to receive any upgrades though.
7. Software that is rented to you must be returned within 24 hours in the same condition or the following will apply:
  - a) Your access to the labs will be revoked.
  - b) Your user account will be disabled.
  - c) You will be charged and administration fee of R10.00 per product per day, if the DVD is not returned within 24 hours.
8. There is no cost for the DVD. If the software disc is lost the cost will be R10.00 per product. This cost will be revised every 6 months or as needed.
9. Only Information System Students (INF1002 excluded) and staff will have access to this software, all registration details of a student will be verified before software is rented to the student. All agreement forms will be retained by the Commerce I.T. Department for reference purposes.
10. You will need to supply your student card when renting software.
11. Damage caused to any DVD will be charged to you at a cost of R10.00 per DVD that is damaged.
12. Please read all the comments and information on the Commerce Web Site before approaching this department, check system and operating system requirements. Certain software requires certain operating systems and hardware. Visit the Microsoft Web Site to check on compatibility of your operating system and hardware.

If you are found to be in contravention of any of the conditions stated above or on the MSDN Academic Alliance Web Site you will lose all privileges associated with this agreement. You will also need to provide proof that all software that was installed on your PC is removed.
